

25th TPM FACILITATORS COURSE 4–8 September 2017, Chennai

CII IQ, TPM Club India conducted 5-Day TPM Facilitators Certification Course from 4-8 September 2017. The faculties for this course were Mr Venkateswaran, Principal Counsellor and Mr Janagiraman, Principal Counsellor of TPM Club India. There were **27 participants** from across the country from manufacturing industries.

The Objective of Facilitators course was to equip the participants to understand, assimilate and implement TPM inside their organization, in depth principles, activities, and steps of various TPM pillars. Since it is they who have to ensure a structured way of TPM implementation this course was facilitated with lot of activities, presentations from the participants & with some real life examples. The program equips each participant to shoulder TPM responsibility, to drive its deployment across the organization, and also to successfully steer the organization to challenge the JIPM Award. The methods, tools, techniques and concepts dealt in this program was strictly in conformity with the JIPMS methodology (consulting division of JIPM).

Take away from the program included Understanding and coverage of TPM Knowledge & its Pillars, Importance of TPM with respect to today's challenges, TPM facilitator roles and responsibilities, Implementation of TPM from shop-floor to other departments step by step details, TPM methodology by organizing activities, giving training and become a guide, Learning of different tools, techniques & processes for better productivity, higher quality to achieve Zero Defect & Zero Accident status.

The programme ended with an examination qualifying the participants as TPM in-house facilitators, Certificates were issued to successful participants. The feedback was very positive from the participants with extensive learning's of TPM methodology for 5 days.

Participants from 25th TPM Facilitators Course with the faculty Mr. Venkateswaran, Mr Janagiraman & Mr Ravi Joshi at Chennai.
